15 MONTH WARRANTY

EARTH AUGER

The BON-P-EA52 Earth Auger is a robust and reliable tool designed to make soil drilling tasks effortless and efficient, a third-generation gearbox for enhanced durability, and a tool-free detachable handle for easy operation and storage. This auger is built to handle tough jobs with ease Perfect for both professional landscapers and DIY enthusiasts, this earth auger excels in various applications such as fence post installation, tree planting, and soil preparation for construction projects.

USAGE OF MACHINE

Ice-Fishing | Construction | Gardening | Soil-Sampling

FEATURES

POWERFUL 52CC ENGINE
The BON-P-EA52 is equipped with a 52CC engine that delivers 35% more power compared to similar models on the market. This extra power ensures efficient and quicker digging, making tough jobs easier.

DURABLE THIRD-GENERATION GEARBOX
Featuring a third-generation gearbox with a 2-cavity structure, the earth auger model by Bonhoeffer offers enhanced durability. This advanced design reduces wear and tear, ensuring long-lasting performance even under demanding conditions.

TOOL-FREE DETACHABLE HANDLE
The Bonhoeffer Earth Auger is designed with a detachable handle that allows for tool-free assembly, making it easy to operate and convenient to store. This user-friendly feature ensures a hassle-free setup and takedown.

HEAVY-DUTY CONSTRUCTION
Built with high-quality materials and a rugged design to withstand demanding conditions and heavy usage. The BON-P-EA52 is designed for longevity and reliable performance.

EFFICIENT DIGGING
BON-P-EA52 precision-engineered spiral blades ensure efficient and clean digging, minimizing soil disturbance and ensuring accurate hole placement.
